## English rendition

*For the well-being of Bhārata  
Its progress and profusion  
A land honoured by minds profound  
Sages and saints, Bhārata and more  
Come join us in Sevā, Reach out in Sevā*

*For the well-being of Bhārata  
Its abundance and goodness  
A land that extends  
From the oceans South  
Rāma's bridge to the majestic Himālayas*

*Let us enfold in compassion and shelter  
The people in far flung places  
In forests, in the hills*

*Come join us in Sevā, Reach out in Sevā*

*For good health and longevity  
To establish the universal law  
The law of dharma  
To ease the suffering of those in need  
Herald an age of prosperity*

*Come join us in Sevā, Reach out in Sevā  
Come join us in Sevā, Reach out in Sevā*
