

A Benefit Program for AIM for Seva

Educating rural India through Free Student Homes

We are not selling tickets to this event as an entertainment show; it is to celebrate the end of our fundraising and to thank our donors.

Our minimum recommended donation is \$225 for 2 passes, which after tax deduction comes to \$75 per person.

This is an exceptional show, and we hope you support this cause of building free student homes for the children of poor and remote villages of India. Please make a donation appropriate to the occasion.
